# Mrs. Lyons' Kindergarten Newsletter

---

Progress should be at 36% this week for all paced subjects. Please make sure you are also logging at least five hours a day for attendance. This must be logged every-day so your accounts are current as possible.

Please remember to have your student answer at least 10 questions with a 70% or higher on Study Island. I still have a few friends that aren't answering their 10 questions.
