

## May 13

- ✎ A week in May is dedicated to astronomy. If you could journey to outer space, whom would you bring with you?
- ✎ Some people consider thirteen to be an unlucky number. What reasons might people have to think thirteen is bad luck?

#13

## May 14

- ✎ Imagine that you are an ant at a picnic. What foods would you most enjoy?
- ✎ May is a month filled with blooming flowers and budding trees. Describe the other springtime sights you would see on a walk around your neighborhood.

## May 15

- ✎ Lyman Frank Baum, author of *The Wonderful Wizard of Oz*, was born on May 15, 1856. If you could be a character from this story, whom would you be and why?
- ✎ Springtime is a time to celebrate nature. How can you help keep the earth a beautiful place to live?

## May 16

- ✎ Nice weather in May encourages us to go outside. What chores or responsibilities do you have to complete before you can play?
- ✎ Imagine waking up on a spring morning, opening your window and hearing a bird bark, a cat chirp, and a dog meow! What would you do?
