

### July 9

- Make a list of the top ten things that you like to do when you are not at school.
- Pretend you are a watermelon seed and someone planted you in your favorite outdoor spot. Describe what you see as you begin to grow.

### July 13

- Do you think bees are helpful or harmful? Describe your reasons for feeling the way you do.
- You jumped into your neighborhood swimming pool and discovered it was magical. What happened to you when you hit the water?

### July 10

- What are some ways to protect your skin from the sun's rays?
- Invent a new type of fruit. What does it look like? What does it taste like?

### July 14

- What is your favorite summertime memory of all? Why?
- Do you prefer playing in the snow or playing in the sand? Why?

### July 11

- Write a review of a favorite book that would make someone want to read it.
- Describe how you felt when you finally did something that you'd practiced for a long time, such as riding a bike or tying your shoe.

### July 15

- Rembrandt, a famous painter, was born on July 15, 1606. Would you rather paint a picture or a house?
- Would you rather eat a tomato or a potato? Why?
