### July 26

- If anyone in the world could move in next door to you, whom would you like it to be?
- How is your neighborhood different in the summer from in the winter?

### July 27

- Look at the clouds in the sky. What do they remind you of today?
- Many people take their dogs for walks in the summer. Do you think that a dog should always be on a leash when its owner takes it out for a walk?

### July 28

- What are the best and worst things about eating watermelon?
- If you could make a wish upon a star, what would you wish for?

### July 29

- What do you most enjoy doing when you're at a park?
- Would you rather be a turtle or a rabbit? Why?

### July 30

- Henry Ford, creator of the Model T Ford, was born on July 30, 1863. Imagine that you are a car. What kind of car would you be? Describe your features.
- Paperback books were first introduced on July 30, 1935. If you were a book, would you rather be a hardcover or paperback? Why?

### July 31

- If you were a frog, would you prefer to live in the wild or as a pet? Why?
- Make a list of the things that you would still like to do before the summer is over. Why is each thing important to you?
